

### **REMARKS/ARGUMENTS**

In response to the Election/Restriction dated November 15, 2005, Claims 1-4, 6 and 32 remain in the application. Claims 33 and 34 have been withdrawn.

### **Election/Restriction**

The examiner indicates that the application contains claims directed to the following patentably distinct species of the claimed invention:

Species I: using boron as the dopant, it appears that Claim 32 reads on this particular embodiment.

Species II: using phosphorous as the dopant, it appears that Claim 33 reads on this particular embodiment.

Species III: using arsenic as the dopant, it appears that Claim 34 reads on this particular embodiment.

Applicants hereby elect Species I of Claim 32. The claims readable on this species are 1-4, 6 and 32. Applicants hereby withdraw claims 33 and 34, without traverse. Applicants reserve the right to subsequently file a divisional application(s) directed to the non-elected species' claims.

### **SUMMARY**

In view of the foregoing corrections, it is felt that the election/restriction imposed by the examiner on November 15, 2005 has been satisfied. Therefore, examination of the application is respectfully requested.

If, However, the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, the Examiner should

telephone Robert Wallace at (805) 644-4035 so that appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,
